Greetings fellow football fanatics, we wanted to have the opportunity to personally invite some of the top young talent to attend the **VFA Winter Soccer College ID Camp** for the University of Vermont Men's Soccer Program on **January 8th and 9th 2011**. We will have a quality training regiment for two full days with the UVM Soccer Men's Coaching Staff. This opportunity is for all high school age players and will include a **college recruiting information discussion and campus tour on Sunday afternoon, January 9th**. The training camp will be held at the **University of Vermont**. The cost for the two day program is **\$130** which does not include meals or housing/hotel charges. We highly recommend the Sheraton which is right across the street where we will be applying a group rate.

The tentative schedule: we will have registration from 8:15-8:45 AM, then 1st training beginning at 9-11:30 AM with small sided playing components. (Lunch break from 11:30-12:30 PM). The 2nd Training session will begin at 1-3 PM and will be reflective of training at UVM with tactical aspects of the collegiate level, including match play. The second day will begin again with a training from 9 – 11:30 AM, a weight lift from 1 – 2 PM with UVM's Strength and Conditioning Coach Justin Goulet. All of our sessions will be open for recruiting opportunities. On Sunday January 9th we will be hosting a collegiate athlete discussion with the UVM Soccer Coaching staff titled: "Becoming a Collegiate Athlete" which will focus on finding a good fit for you as an athlete and student, and once you make that decision how you can make it the best you can by giving you insight on what that experience will be like. We will finish with a campus tour of UVM on that Sunday afternoon.

The UVM Coaching staff will include Head Coach Jesse Cormier, Associate Head Coach Wade Jean, and Assistant Coach/Goalkeeper Coach Jason Burnett and will provide the training opportunity for aspiring collegiate soccer players.
